2. OUR CORE BUSINESS SECTORS

- **ENERGY PRODUCTS**
- **INDUSTRIAL & METALS**
- **OFFICE & SUPPLY MATERIALS**
- **AGRICULTURAL COMMODITIES**

We operate across international markets with secure sourcing channels and structured trade execution.

3. WHAT WE TRADE

ENERGY PRODUCTS

◆ Aviation Fuel (Jet A1)

High-quality aviation turbine fuel compliant with international standards for commercial and private aviation operations.

◆ Marine Fuel

Reliable bunker fuel solutions for maritime operations, supporting cargo vessels and shipping fleets worldwide.

◆ Gas

Industrial and commercial gas supply for manufacturing, energy, and infrastructure applications.

◆ Diesel

Ultra-low sulfur diesel (ULSD) for transportation, industrial machinery, and power generation.

◆ Gasoline

Refined gasoline products supplied for retail distribution and commercial use.

INDUSTRIAL & PRECIOUS METALS

◆ Electrical Transformers

Supply of industrial-grade electrical transformers, transformer accessories and power cables for power transmission and infrastructure projects.

◆ Gold

Physical gold trading (bullions) sourced from certified suppliers and compliant with international trade standards.

OFFICE & SUPPLY MATERIALS

◆ A4 Paper

We supply premium-quality A4 copy paper suitable for office, commercial, and bulk distribution requirements. Our paper products meet international quality standards, ensuring smooth printing performance, high brightness, and jam-free operation for all types of printers and copiers.

Available in bulk quantities for wholesalers, distributors, and corporate clients, our A4 paper is competitively priced with reliable global shipping and secure packaging to maintain product integrity during transit.
